EVERYONE IS WELCOME!

Sisters-In-Spirit is a national movement for social change that encourages concerned citizens and Aboriginal community members to honour our lost sisters and their families. We gather to show we are a united front, to shed light on a crisis that affects every Canadian. The National Day of Remembrance and Action on Violence Against Women is about remembering victims that were killed on Dec 6, 1989 at the l'École Polytechnique de Montreal; just because they were women.
